If, following reimbursement of your Available Balance, any further Transactions are found to have been made or charges or Fees incurred using the Dayforce Wallet Card(s) or we receive a reversal of any prior funding Transaction, we will notify you of the amount and you must immediately repay to us such amount on demand as a debt.

13. Loss or Theft of your Dayforce Wallet Card or Misappropriation of Your Account

- 13.1. If your Dayforce Wallet Card is lost or stolen or if you think someone is using your Dayforce Wallet Card, PIN and/or Access Codes without your permission or if your Dayforce Wallet Card is damaged or malfunctions:
- i. you must contact us as soon as possible by calling 0800-279-0315 and you must provide us with your Account or Dayforce Wallet Card number and either your Username or some other identifying details acceptable to us so that we can be sure we are speaking to you; and
 - ii. provided we have obtained your consent to close the Account, we will then provide you with a replacement Dayforce Wallet Card with a corresponding new Account loaded with an amount equivalent to your last Available Balance.
- 13.2. Once we have been notified of any loss or theft, we will suspend the Payment Services as soon as we are able, to limit any further losses (see Clause 14). We can only take steps to prevent unauthorised use of the Payment Services if you can provide us with the Account or Dayforce Wallet Card number and Username and if you can produce sufficient details to identify yourself and the relevant Account.
- 13.3. Replacement Dayforce Wallet Cards will be posted to the most recent Account address registered by you. Failure to provide the correct address will result in a Dayforce Wallet Card Replacement Fee.
- 13.4. If you subsequently find or retrieve a Dayforce Wallet Card that you have reported lost or stolen, you must immediately destroy the found Dayforce Wallet Card by cutting it in half through the magnetic stripe and chip.
- 13.5. You agree to help us, our agents, regulatory authorities and the police if your Dayforce Wallet Card is lost, stolen or if we suspect that the Payment Services are being misused.

14. Liability for Unauthorised or Incorrectly Executed Transactions

- 14.1. Subject to Clauses 14.2, 14.3 and 14.6 we will reimburse you in full for all unauthorised Transactions sent from your Account immediately and in any event no later than the end of the following Business Day after noting or being notified of the Transaction (except where we have reasonable grounds for suspecting fraud), provided that you have informed us of the unauthorised Transaction without undue delay after becoming aware of the Transaction and in any event, no later than 13 months after the Transaction was executed. Where applicable, we shall restore your Account to the state in which it would have been had the unauthorised Transaction not taken place, so that the credit value date shall be no later than the date the amount had been debited.
- 14.2. You may be liable for losses relating to any unauthorised Transactions up to a maximum of £35 resulting from the use of a lost or stolen Dayforce Wallet Card or the misappropriation of your Account, unless the loss, theft or misappropriation was not detectable to you prior to payment (except where you acted fraudulently) or was caused by acts or lack of action of our employee, agent, branch or service provider.
- 14.3. You are liable for any losses incurred by an unauthorised Transaction if you have acted fraudulently or failed either intentionally or through gross negligence, to use your Account in accordance with the terms of this Agreement or to keep your Access Codes confidential and secure in accordance with Clause 8.
- 14.4. You shall not be liable for losses incurred by an unauthorised Transaction which takes place after you have notified us of a compromise of your Access Codes according to Clause 8, unless you have acted fraudulently, or where we have failed to provide you with the means to notify us in the agreed manner without delay on you becoming aware of the loss, theft, misappropriation or unauthorised use of your Dayforce Wallet Card or Account.
- 14.5. We shall not be liable for a refund or losses incurred by an incorrectly or non-executed payment Transaction if the details of the payee's account provided by you were incorrect or we can prove that the full amount of the Transaction was duly received by the payment service provider of the payee.
- 14.6. We shall not be liable for any unauthorised or incorrectly executed Transactions in case the Transaction was affected by abnormal and unforeseeable circumstances beyond our reasonable control or where we acted in accordance with a legal obligation.
- 14.7. Where we are liable for the incorrect execution of a Transfer or SEPA Transfer that you receive under this Agreement, we shall immediately place the amount of the Transaction at your disposal in accordance and credit the corresponding amount to your Account no later than the date on which the amount would have been value dated, had the Transaction been correctly executed.
- 14.8. Where we are liable for the incorrect execution of a Payment, Transfer or SEPA Transfer by you as payer, we shall, without undue delay, refund to you the amount of the non-executed or defective Transaction, and, where applicable, restore the debited Account to the state in which it would have been had the defective Transaction not taken place.
- 14.9. In the case of a non-executed or defectively executed Payment, Transfer or SEPA Transfer by you as payer, we shall, regardless of whether we are liable, on request, make immediate efforts to trace the Transaction and notify you of the outcome, free of charge.

- 14.10. A Payment initiated by or through a payee (e.g. a Merchant) shall be considered to be unauthorised if you have not given your consent for the Payment to be made. If you believe that a Payment has been made without your consent you should contact us in accordance with Clause 2.
- 14.11. A claim for a refund of an authorised Direct Debit or Payment initiated by or through a payee (e.g. a Merchant) where the authorisation did not specify an exact amount of payment Transaction (and the amount of the Payment exceeded the amount that you reasonably could have expected taking into account your previous spending pattern, this Agreement and the circumstances of the case), must be made within 8 weeks from the date on which the funds were deducted from your Available Balance. Within 10 Business Days of receiving your claim for a refund or within 10 Business Days of receiving further information from you, we will either refund the full amount of the Payment as at the date on which the amount of the Payment was debited or provide you with justification for refusing the refund.
- 14.12. The right to a refund under this Clause 14 does not apply where you have given consent directly to us for the Payment to be made and, if applicable, information on the Payment was provided or made available to you by us or the payee in an agreed manner for at least four weeks before the due date.
- 14.13. If you are not satisfied with the justification provided for refusing the refund or with the outcome of your claim for a refund, you may submit a complaint to us or contact the complaints authority as described in Clause 16.
- 14.14. If at any time we have incorrectly deducted money from your Available Balance, we shall refund the amount to you. If we subsequently establish that the refunded amount had been correctly deducted, we may deduct it from your Available Balance and may charge you a Fee. If you do not have sufficient Available Balance, you must repay us the amount immediately on demand.
- 14.15. Where any request, Transaction, disputed Transaction, arbitration or reversed Transaction involves third party costs, you remain liable for these, and they will be deducted from your Account or otherwise charged to you.
