

Dayforce Wallet Rewards Supplemental Privacy Statement – US

Last Updated: January 18, 2022

DOSH Holdings, Inc. (the “Company,” “we,” “us,” and “our”) is committed to treating your personal information with respect and sensitivity. This privacy policy (this “Privacy Policy”) explains how we may collect, store, use, and disclose information when you access or use Dayforce Wallet Rewards.

Your Acceptance of this Privacy Policy

By accessing or using the Services, you consent to our collection, storage, use, and disclosure of your information as described in this Privacy Policy. If you do not agree to every provision of this Privacy Policy, you may not access or use the Services.

Protecting Children’s Privacy

The Services are not directed, or intended to be attractive, to children under the age of 13. We do not knowingly collect personal information from children under the age of 13. If you are under the age of 13, do not use the Services or submit any information to us. If we learn we have collected or received personal information from a child under the age of 13 without verification of parental consent, we will delete that information.

Types of Information We Collect and How We Collect It

When you access or use the Services, we may collect information that identifies you (“Personal Information”), and we may also collect information that does not identify you (“Anonymous Information”). When Anonymous Information is, directly or indirectly, associated or combined with Personal Information, such Anonymous Information will be considered Personal Information for purposes of this Privacy Policy. In addition, to the extent Internet Protocol (“IP”) addresses or similar identifiers or information is considered personally identifiable information by applicable law, we will treat such identifiers and information as Personal Information under this Privacy Policy.

How We Use and Share Information

Notwithstanding anything to the contrary in this Privacy Policy or the Rewards Terms, we will use personal information, payment method and transaction information solely as follows:

CERIDIAN

Anonymous Information. We use an anonymous rewards number:

- to create a rewards ledger for you on our platform in order for us to track rewards you earn based on qualifying transactions with participating merchants (the “Services”).
- to confirm a qualifying purchase for the purpose of matching transactions to confirm whether you qualify for an offer or statement credit;
- to create a record of the transaction information and thereafter maintain and use data in connection with the Services;
- to conduct analysis for the improvement and optimization of the Services
- to provide participating merchants aggregated and anonymized information relating specifically to payment method activity solely to allow participating merchants to assess the results of their campaign;
- to provide information in order to respond to a request from a government authority or a payment organization involved in a transaction with you or a merchant; and
- to enable the sharing, exchange and use of transaction information described above and herein by and among Dosh, Ceridian, the payment networks, applicable third-party service providers and applicable merchants.

Personal Information: We use Personal Information:

- to improve the user experience by using IP addresses to locate participating merchants near your current location (you may turn this feature off in the phone app)
- to determine user location to inform participating merchants where a transaction occurred as needed for the merchant to confirm a specific transaction occurred or points rewards should be awarded; and
- to provide information in order to respond to a request from a government authority or a payment organization involved in a transaction with you or a merchant.
