Employee Wage Consent Form – UK

Last Updated: January 31, 2025

Based on your instruction, your employer will pay your wages to you either 1) via the Dayforce e-money account issued by a participating financial institution licensed by the Financial Conduct Authority under the Electronic Money Regulations 2011 (“E-Money Account”) or 2) via direct deposit or other paycard on your regular pay day.

In order to receive on-demand pay you must have an E-Money Account. You can also still receive wages on your regular pay day, either on the E-Money Account or via direct deposit, other paycard or paper paycheck, where made available by your employer.

On written notice to your employer, you may elect to stop using the payment method you selected and instead elect to have your wages paid by the other payment option(s) provided by your employer. Your employer will be afforded a reasonable opportunity to act on such notification and begin payment by the new payment method. Please review the options below and then make your voluntary election.

If your employer has a separate employee wage consent form, the language in that consent form will control to the extent it conflicts with this consent form.

Wages via the E-Money Account

If you want to receive your wages via the E-Money Account, please review the [Dayforce Wallet® Prepaid Mastercard® \(“Dayforce Wallet Card”\) Terms and Conditions](#) and provide your electronic signature.

By signing, you acknowledge that you have received, reviewed, and accepted the Dayforce Wallet Card Terms and Conditions of the E-Money Account. You understand that there is no monthly service charge for the E-Money Account. However, you also understand that there may be fees for certain transactions as explained in the Dayforce Wallet Card Terms and Conditions.

Wages via Direct Deposit

If you want to receive your regular wages via direct deposit, you can log in to Dayforce or the Mobile App and make your election using the Direct Deposit form.

Wages via Paper Paycheck

If you are eligible and want to receive your regular wages via paper paycheck, you can log in to Dayforce or the Mobile App and make your election using the Direct Deposit form.

Authorization to Offset On Demand Payments on Pay Day

I hereby authorize my employer to: (a) pay me on demand pay wages sooner than my regularly scheduled pay day; (b) offset the total amount of any on demand payments made to me on my regularly scheduled pay day (including any final pay if my employment is terminated for any reason), and (c) offset the total amount of any corrections to my pay resulting from on demand payments from my next regularly scheduled pay day, to the extent permitted by law. I also represent that this authorization is executed voluntarily and is not made as a condition of employment.
